**Donate Now**

All kids deserve to play sports  
without having to worry  
that it costs too much.

With over **8,000 children** in the School District who are living at or below the poverty rate, the **need for scholarships is tremendous.**

Lancaster Rec has made the commitment to provide Lancaster's children with recreation and learning opportunities for as little as \$5 a program, but we need on-going support from the community. Your contribution to our sports scholarship fund will give deserving kids who need financial support the opportunity to get involved in the sport of their choice.

Won't you PLEASE be a **Sports HERO?**  
Provide the opportunity to play sports to ALL Lancaster boys and girls.
