

Child Care Family Handbook

Dear Families,

Welcome! We appreciate your participation in Lancaster Recreation Commission Children and Family Services programs.

Our goal is to provide an enriching, safe environment for children to participate in fun-filled learning activities which promote creativity, social skills and independence, while receiving quality care by a caring and nurturing staff.

All policies and procedures in this Family Handbook relate specifically to our Child Care programs. Information in this handbook is effective August 2015. All information is subject to change. As a registered participant you will receive a written notice of any procedure or policy change.

Please read this Family Handbook carefully and feel free to ask questions or voice your concerns. You may call me at 392-2115 x136.

Sincerely,

Lucy M. Stauffer
Director of Children & Family Services

The Lancaster Recreation Commission mission is to provide quality and affordable recreation and learning opportunities to Lancaster residents.

Lancaster Rec Child Care Programs

The Lancaster Rec Child Care programs provide state-certified child care for working families in the School District of Lancaster. Any child 6 weeks through 13 years of age is welcome. We offer care for infants and toddlers at the Lancaster Rec Child Care Center at McCaskey; a Preschool Program for children ages 3-5 at the Lancaster Rec Child Care Center at McCaskey, Lancaster Recreation Center, and Wickersham Elementary; Wrap Around Before and After School Care for children in K3 and K4 at the Lancaster Recreation Center and Lancaster Rec Child Care Center at McCaskey; and Before and After School Programs at all School District of Lancaster Elementary Schools.

Our Philosophy

Our child care philosophy is based on the belief that each child is an individual, a special human being to be treated with love, respect, and sensitivity. Our goal is that each child will develop positive social and emotional skills. We strive toward this goal by maximizing each child's opportunities for success. By providing developmentally appropriate activities at each program and staff that are sensitive to the developmental and emotional needs of young children, we feel the children in our programs will develop an "I can do it" attitude. Children learn from birth on. Play is their "work." Their reward for this is what they learn. We strive to provide opportunity for success by planning activities to meet age-appropriate goals.

We believe that every child has the right to receive care and nurturing of the highest quality in a safe and loving environment. All Lancaster Rec child care programs are open programs where families are welcome and encouraged to drop in at any time.

The Lancaster Rec child care programs participate in Keystone Stars, a state-supported and funded quality improvement program which has four STAR levels. Each STAR designation measures a quality performance standard. The four levels measure quality in the following areas:

- Education and training of staff
- Physical environment
- Management
- Family and community partnerships

For more information, please visit www.pakeys.org/stars or call 392-2115 x136.

Subsidized Care

Some families may qualify for financial help for their child care. If you would like more information on subsidized care, please call Child Care Information Services at (717) 393-4004.

Our Staff

Our child care staff is carefully chosen and trained. All employees must have FBI criminal background clearances, child abuse registry clearances, bi-annual physicals, first aid and CPR certification, fire safety training, emergency preparedness plans, and water safety training. Staff also participate in professional development through PA Keys and Keystone Stars in all aspects of child care, receiving at least 24 hours of professional development training each year.

Our Curriculum

Lancaster Rec employs a child-based curriculum that is aligned to the state academic standards and utilizes planned activity centers as the method to achieve hands-on learning. Through observation and discussion of the children's interests and abilities, the staff plan activities and lessons to support each child's development and learning. We are also involved with the United Way's "Success by 6" initiative. Daily schedules are posted in each classroom.

Our preschool programs follow guidelines established in partnership with the School District of Lancaster and we use 'Creative Curriculum' within our program, including the "Little Treasures" literacy program. This curriculum allows us to assess each child and create a working portfolio for each child that attends our program.

School age programs use activity centers to incorporate literacy, math, science, social studies, arts and technology while teaching positive social skills, problem-solving, social development and communication skills.

The goal of this activity-based curriculum is to help the children meet the state standards in academic areas, to reinforce classroom learning, to develop social competence, to improve communication skills and to help children be more physically active.

If applicable to the child, we will work with parents and public, social and community service organizations to help meet IEP or IFSP goals and/or special needs plans.

Therefore, from time to time you will be required to update your information to maintain accuracy. Failure to complete these forms could result in your child care services being suspended.

Parents are asked to provide bottles/cups for each feeding per day. Parents are also asked to bring a supply of diapers for their child. We will notify you when that supply is running low.

Programs for School Age Children

School age programs use activity centers to incorporate literacy, math, science, social studies, arts and technology while teaching positive social skills, problem-solving, social development and communication skills. Homework time is provided each day.

Before School Program: 6:30 a.m. to start of school day

State regulations require an adult to sign your child into the Before School program on a daily basis. Please be sure to walk your child into the school every day. Staff arrives for the Before School program at 6:30 a.m.

The School District serves breakfast in all of its elementary schools. We allow children to go to the cafeteria for breakfast if they wish or you may provide breakfast. If your child is not having

breakfast at school, he or she should eat before leaving home. The Before School program does not provide food.

At the beginning of the school day, the children are dismissed to join their teacher and classmates. Some schools require children in our Before School program to line up by class on the playground or in the lobby and then enter the building with their teacher. Other schools permit the children in our Before School program to go straight to their classroom. We follow the school's choice.

After School Program: end of school day to 6 p.m. (second Wednesday of month 12:30-6 p.m., Martin dismisses at 12:00 noon on the second Wednesday of the month)

Be sure your child understands that they are to go directly to the After School program immediately following school. The After School programs are usually held in the school's cafeteria or gym. Also, please inform your child's teacher that he or she is attending our program, either by sending in a note with your child or speaking directly to the teacher. Children must sign themselves into the After School program every day. If your child is scheduled to be at the After School program and does not report to the program by 3:30 p.m. (12:45 p.m. on Wednesdays) the staff will first check with your child's teacher regarding your child's whereabouts. If the teacher does not have any information, the staff will contact the child's family. During the After School program each child gets a light snack and a beverage. The snack is often fruit, crackers, or granola bars with fruit juice or milk to drink. We participate in the Child and Adult Care Food Program. All meals served to children under the Child and Adult Care Food Program are served at no separate charge regardless of race, color, national origin, sex, age, or disability. There is no discrimination in admission policy, meal service, or the use of facilities. Any complaints of discrimination should be submitted in writing within 180 days of the incident to the Secretary of Agriculture, Washington, D.C. 20250.

We reserve the right to phone the family/guardian if questions arise.

When picking up your child, please allow time for your child to finish what they are doing, and encourage him or her to put away the materials they are using. You can use this time to look over the family information area and talk with the staff.

If a McCaskey Student is suspended from school they will need to arrange for someone else to bring and pick up their child to care during the suspension.

Late Policy

Your child must be picked up by 6 p.m. We will make one allowance for one emergency late pickup of up to 15 minutes. For any subsequent late pickup, you will be charged **\$1 per minute you are late**. Attendance is scheduled at the time of registration. Families must notify the Lancaster Rec office if there will be any change in their child's scheduled attendance. On days that your child is scheduled to attend, but will not attend for whatever reason, we ask you to call the site phone where your child attends. If a student is absent for 3 consecutive days, the family will be contacted to learn the nature of the absence and offer support, as appropriate. When children have more than 5 consecutive unexcused absences, the family and teacher will discuss the reason for the absence and determine ways to support the child's attendance in school.

When children have 10 or more consecutive unexcused absences or more than 10% unexcused absences over the course of the school year and have not responded to program supports, the child will be dismissed from the Pre-K Counts or Half-Day Pre-K program.

Supervision

All Lancaster Recreation Commission Child Care Programs are certified by and adhere to regulations established by the Pennsylvania Department of Human Services (DHS.) DHS defines supervision as staff being able to see, hear assess and direct the activity of the children at all times. For your reference, the regulation (3270.113) regarding the supervision of children is as follows:

- Children on the facility premises and a facility excursion off the premises shall be supervised by a staff person at all times. Outdoor play space used by the facility is considered part of the facility premises.
- Each staff person shall be assigned the responsibility for supervision of specific children. The staff person shall know the names and whereabouts of the children in his/her assigned group. The staff person shall be physically present with the children in his/her group on the facility premises and on facility excursion off the facility premises.
- The requirement for supervision on and off the facility premises includes compliance with the staff to child ratio requirements in regulation #3270.51-3270.55 (relating to staff to child ratio).
- A staff person may not use any form of physical punishment, including spanking a child.
- A staff person may not single out a child for ridicule, threaten harm to the child or the child's family and may not specifically aim to degrade the child or the child's family.
- A staff person may not use harsh, demeaning or abusive language in the presence of children.
- A staff person may not restrain a child by using bonds, ties or straps to restrict a child's movement or by enclosing the child in a confined space, closed or locked room. The prohibition against restraining a child does not apply to the use of adaptive equipment prescribed for a child with special needs.

Ratios

When children are grouped in similar age levels, the following maximum child group sizes and ratios of staff persons apply: infant 1:4, young toddler 1:5, older toddler 1:6, preschool 1:10, young school age 1:12, older school age 1:15. When children are grouped in mixed age levels, the age of the youngest child in the group determines the staff to child ratio and maximum group size in accordance with DHS regulation 3270.51 (relating to similar age level) .

Napping

While toddlers and preschoolers are napping the following staff to child ratios apply: young toddler 1:10, older toddler 1:12, preschool 1:20. Staff persons who are on duty but are not providing child care during naptime shall remain in the child care portion of the facility premises.

At least 2 facility persons shall be present in the facility when 2 or more children are in care. At a minimum, one of the facility persons shall be a staff person. If the staff to child ratio warrants only one staff person, the second person may be another facility person. This section is cited in 55 Pa. Code 3270.55.

Your child will never be left alone for any reason and must stay in the designated child care space at all times.

Outdoor Play

We take all children outside to play every day, weather permitting. We ask that you dress your child in weather appropriate clothes. We take children outside regardless of the temperature from 25°F -90°F. We ask that you bring boots, scarves, hats, gloves, etc. in cooler weather, and water, shorts, t-shirts, etc. in warmer weather. Please note if your child is well enough to come to the center he/she must go outside.

Clothing

For infants, toddler and preschoolers, we ask that you provide at least two complete changes of clothing for your child. Extra clothing can be kept in his/her cubby or locker. You may also bring in a diaper bag for storing supplies. Please remember to label everything that you bring into the Center with your child's initials, or name.

Illness

Most children become ill from time to time. Please do not increase the risk of other children becoming ill by sending your child to a program sick. Occasionally, it does become necessary to exclude an ill child from the program. Please have a plan for these instances, as you will be asked to pick up your child if they meet the exclusion criteria. Families will be contacted to pick up their child immediately if the child is having difficulty breathing and/or wheezing.

Families will be contacted to pick up their child if more than one of the following conditions exists:

- Illness prevents the child from participating

- Fever accompanied by behavior change or rash (oral temperature above 101°F or armpit temperature above 100°F)
- Lethargy that is more than tiredness
- Uncontrolled coughing
- Inexplicable irritability and persistent crying
- 2 or more episodes of diarrhea or vomiting
- Blood in stool
- Persistent abdominal pain (more than 2 hours) or complains of intermittent pain with fever, sweating or fatigue
- Pink or red conjunctiva or crusting white or yellow eye discharge

We will exclude for the following contagious medical conditions and follow the American Academy of Pediatrics schedule for child's return: Purulent Conjunctivitis (pink eye), Impetigo, Scabies, Tuberculosis, Strep Throat and other Streptococcal Infections, Chicken Pox, Pertussis (whooping cough), Mumps, Measles and Rubella. Please notify staff so that we may inform other parents of the potential for illness. Respiratory tract infections requiring medication require parents to provide documentation for out of home care and medication schedule to be followed.

A child is considered well when they have resumed a pre-illness pattern, or when the treatment or therapy has concluded and participation is evident. If a doctor's note is provided, the child may return to care on the date the doctor has provided on the doctor's note.

Lice Policy

Upon discovering a case of lice, all children will be checked. Parents of children who display symptoms of lice infestation will be called. According to the American Academy of Pediatrics, infestation is identified by the presence of adult lice or nits (eggs) on a hair shaft 3 to 4 mm from the scalp. Parents of all children will be notified of the incident and our procedure at pick up the same day lice is discovered. Before children can be signed in, staff will check all of the children every day for a period of five days after the discovery of a case of lice. Any child found to have lice or nits (eggs) will not be accepted.

Medical Dispensing Policy

In accordance with the licensing regulations of the Pennsylvania Department Human Services, non-prescription drugs are not administered nor are children permitted to take medications during the program.

Prescription medication can be administered if the following requirements are met:

- Prescription medicine is given by the staff only if the parent fills out the medication log in detail each day.
- The medication must be in its original container with the child-proof cap, have the child's name on it and include instructions.
- The staff will also fill out the medication log, indicating the time the medicine was given.
- In order to ensure the safety of all children and for the quickest response, we ask that staff hold all inhalers and EpiPens during program hours.

Sunscreen Policy

Parents must provide sunscreen/sunblock for children while they are attending Lancaster Rec summer child care programs.

Due to sunscreens/sunblocks having the "Keep out of reach of children" label, all bottles will be kept with your child's group leaders. Children will be reminded to apply it when they go outside, especially on pool days. Anyone can be affected by the sun's powerful rays; it is important that your child has sunscreen/sunblock to protect them while playing outside and at the pool. School Age staff is not permitted to apply sunscreen/sunblock on school age children. Preschool staff is permitted to apply it on preschool age children.

Please bring in the sunscreen/sunblock you are providing for the summer and give it to the front desk staff. Please have your child's name written on the bottle.

Medical Emergency Procedure

In the event of a medical emergency or of an accident, we will contact the parents and fill out an accident report. Basic first aid will be administered at the site. If it is impossible to reach the parents or the situation demands immediate attention, the child will be taken to a Lancaster hospital. A staff member will accompany the child to the source of emergency care and remain with the child until parent(s) or a designated emergency contact person assumes responsibility for the child's care. All sites have emergency procedures posted. Your authorization for staff to contact your family physician and to take whatever emergency medical procedures are deemed necessary is part of the registration contract.

Your Child's Progress

We offer a "getting to know you" meeting with parents within 45 days of enrollment. A copy of the "getting to know you" notes becomes part of the child's record. At this meeting the staff will meet with each family to review this Family Handbook which contains our policies and expectations as well as initial observations of your child and ages and stages for preschoolers. We encourage parental involvement and seek to form partnerships with parents in the child's development. Parents are encouraged to volunteer and participate in Family Nights, special trips, activities, transition meetings and conferences. Family Orientation will be held in September to enable you to get to know our staff. Portfolios from observations and developmental assessments of your children are completed twice a year (three times a year for preschool) and can be reviewed with the parent during conferences. Throughout the year, we aim to communicate with you as we see your child grow and progress. A developmental screening is completed within 45 days of enrollment. Ages and Stages is used to track development of all infants, toddlers and preschoolers. Preschoolers are also assessed using Work Sampling System.

ECE Partnership with McCaskey High School

The Lancaster Rec Child Care Center at McCaskey is proud to partner with the Technical and Business Careers Small Learning Community at McCaskey High School. This opportunity benefits the children in our care by giving them additional planned learning opportunities. It gives the McCaskey students real world experience working with children as they prepare to meet their future career goals. For many of these students, the future career goal is to become teachers.

The McCaskey Early Childhood Education Program (ECE) is a 3 year program. Junior and Senior McCaskey ECE students complete competencies in the development, care, guidance, and teaching of young children from birth through second grade. Students actively participate in the on-site laboratory school through weekly internships. The lab school includes the Lancaster Rec Child Care Center at McCaskey. All Year II and III students also participate in a weekly externship at a community child care center or in a SDOL elementary classroom.

McCaskey students will design and teach lessons to the children in our child care program. Therefore, the Lancaster Rec Child Care Center at McCaskey asks all families to give permission for SDOL staff to sign their children out of the child care space to participate in these activities. The SDOL staff will then sign the child back into the child care space after the lesson is over. A separate form will be issued to parents with children attending the Lancaster Rec Child Care Center at McCaskey Center for this purpose.

Early Learning Network

As a Keystone STARS 4-star facility, we are responsible for recording demographic information and results from the “Work Sampling System Online (WSO)” into the State’s Early Learning Network. This information will be kept confidential and used by the Office of Child Development to maintain programming quality. Additionally, the Office of Child Development may occasionally seek your input regarding program quality.

Conferences

We offer you the opportunity for two individual conferences a year to discuss your child’s progress or any concerns you may have. You will receive a letter from the staff informing you of the dates and details to schedule a conference. In the event you are unable to attend, we will gladly mail you a written report. In addition, we will make every effort to discuss your child with you at pick-up or drop-off time. At your request, we will send home a daily comment sheet for your review. If at any point during the school year you would like to discuss your child’s development, our staff are available for one-on-one meetings. Please schedule this meeting through your child’s site supervisor.

Family Programs

To help involve the children’s families in their learning and development, we have instituted Family Nights two times a year. Family Night includes an educational program, a time to meet the other children and their parents/guardians, and of course food and fun for the whole family.

Transitioning into the program

Recognizing each child as a unique individual, we try to make each family as comfortable and confident as possible as they enter our Child Care Programs. To help children and their families adjust to a new room or site, families are invited to come observe and tour the center prior to the first day of attendance. All families will have the opportunity to have a “getting to know you” meeting. We work with families to adjust schedules, routines and starting the program to meet the best interests of the child.

Children attending the Lancaster Rec Child Care Center at McCaskey are placed in classrooms by age; infants, younger toddlers, older toddlers, and preschool. When children change classrooms, we will introduce the child and family to the new teachers and environment prior to their first day in the new classroom.

Transitioning to another Program

We work with the parents and the schools to make transitions as easy as possible for your child. We automatically transfer all necessary files from the Preschool program to the Before and After School program. Parents can request a copy of your child's portfolio when the child advances to K5 and Middle School or if you change program sites. Portfolios and files will be automatically transferred for children who attend our program at one school and transfer to another school within the District.

A meeting at each site will be offered for children transitioning to K5 or middle school to provide information to support this change. The meeting will be held in May in conjunction with program graduation activities or Family Night. Also, we will make every effort to participate in School District of Lancaster-sponsored transition activities.

Damage, Theft, and Loss

The Lancaster Rec provides an ample supply of toys, games and learning materials for the children to use in our programs. The Lancaster Rec staff is not responsible for lost, damaged, or stolen items. Children are responsible for any items brought from home or school.

The parent/guardian will be responsible for any damages resulting from his/her child's actions to either Lancaster Rec or school property.

Staff Babysitting

To keep a professional atmosphere, we advise all staff not to accept babysitting jobs outside of work hours. Staff are strictly prohibited from providing private transportation for any children in our programs during program hours. Lancaster Rec does not take responsibility for staff actions outside of regular program hours.

Disciplinary Policy

Children and Family Services programs have reasonable rules that we expect the children to follow. If you have any questions about discipline, or would like to schedule a conference, please contact the Director of Children and Family Services at 392-2115 x136. The core of our discipline policy is a healthy respect for each other. Appropriate language and respect for authority is expected. One child physically hurting another is dealt with promptly. If harmful actions re-

occur, we will expel children from our program. In severe cases, it may be necessary to dismiss children immediately from our program.

Our procedure is as follows:

- **Verbal Notice** – Official verbal notification of behavior difficulty.
- **Step A:** Written Notice #1 – First written notification of continued behavior difficulty.
- **Step B:** Written Notice #2 – Second written notification of continued behavior difficulty.
- **Step C:** Written Notice #3 – Parent conference with Site Director and Director of Children and Family Services.
- **Expulsion** – Child may no longer attend programs. Expulsion will be for one (1) full calendar year. For example, if the child is expelled in May, he/she may not attend again until May of the following year. If a child is expelled twice, they will not be able to attend any Lancaster Rec Child Care programs.

Child Abuse Notification

All staff of the Lancaster Rec are mandated reporters. Mandated reporters are defined as a person who, in the course of their employment have direct contact with children and must report or cause a report to be made when they suspect child abuse. Any signs of suspected abuse, neglect or maltreatment will be reported. It is not Lancaster Rec's responsibility to investigate reports of child abuse/neglect, as it must be reported as stated by the Department of Human Services. The law also states that anything told to a mandated reporter, regardless of evidence involving maltreatment, abuse or neglect, must be reported to the appropriate agency. In addition, as mandated reporters it is our responsibility to make sure children in our programs are safe while in our care.

Referrals to Mental Health and Social Services

If staff is concerned that a child does not fit a typical profile for a child's social or skill development:

- Staff will document behaviors and skills through observation and portfolio collection.
- Staff will contact Director of Children and Family Services, who will conduct observations and provide documentation of findings.
- Family will be contacted to discuss findings and appropriate services that can help.

Parental/Pick-Up Person Conduct

We strive to maintain an environment that is safe at all times. All persons picking up children are required to conduct themselves in a professional manner. Violent, threatening or abusive behavior will not be tolerated. Adults conducting themselves in a disruptive or disrespectful manner will lose their privileges of dropping off or picking up their children and the authorities may be called.

In the event a parent or guardian arrives by vehicle to pick up their child and is suspected by staff to be under the influence of drugs or alcohol, the following steps will be taken:

- Staff will discreetly negotiate with the person not to leave and encourage him/her to call a sober friend or companion to drive the individual and their child home.
- If the parent/guardian refuses, becomes violent, or leaves the program with the child, police will be called immediately with a description of the individual (including name and address), vehicle description, license plate number and direction of travel.

Parents and Legal Guardians Visiting Programs

Parents are an essential part of our program. It is our goal to work with the community, as well as parents/guardians to provide the best learning environment for each child. We encourage parents to stop in throughout the day and to take advantage of the opportunities to be involved in the child care site throughout the year. All parents and/or legal guardians are allowed to stop by unannounced at any time. Any other adult wishing to visit must provide a letter from the parent/legal guardian stating they have permission to visit the child in the child care site.

While visiting the child care site we ask that your visit not cause any disturbance to ensure the children are able to participate in the program without any interference. We also ask non-parent/legal guardians to limit their visit to an hour or less.

McCaskey Students are welcome to visit their child during times they do not have class. Any McCaskey Student visiting the center while they are to be in class will be reported to their Teen Elect Counselor.

Communication

Infants, toddlers and preschool children receive a daily "happy gram" which informs parents of their child's day and what they ate. Informative newsletters are sent home monthly to update parents/guardians of upcoming activities and special events. Important information for parents

can also be found on the dry erase/bulletin board located inside the child care site. Sign-in sheets are also located in this section.

Volunteers in our Program

Any person wishing to volunteer in our programs must follow the following guidelines: complete a Lancaster Recreation Commission Volunteer Application, obtain State Police, Child Abuse, and FBI clearances. The clearances must be less than one year old.

Site Specific Policies

Check with your child's Site Director for information about how birthdays and holidays are celebrated and rules about bringing toys from home.

Emergency Preparedness

To ensure the safety and welfare of children attending Lancaster Rec Child Care Programs, each center has a plan, posted at the site. This plan explains where the immediate evacuation, in-place sheltering and evacuation locations are located. Families will also receive a letter with these site specific details on the first day their child attends. We will use one of the following protective actions in emergency situations:

- **Immediate Evacuation:** Students are evacuated to a safe area on the grounds of the center in the event of a fire, etc.
- **In-place sheltering:** Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the building is the best immediate response.
- **Evacuation:** Total evacuation of the facility may become necessary if there is a danger in the area.

A fire/emergency drill is practiced once a month.

Evaluating the Programs

Your input is very important to us. We use the information from families to make improvements in our programs. In May we ask each of our families to fill out a parent evaluation form. Please take time to review and complete the evaluation and return it to your child's Site Director by the end of the school year.

The children essentially are the program, and we value their input. Although we frequently receive feedback from the children through regular conversation, we also give each child the opportunity to participate in the formal evaluation process. During the last two weeks of the

program our staff will give each child an evaluation form to complete. For children who cannot yet read, they may draw pictures of their likes and dislikes about the program.

Monitoring Notice

The Lancaster Rec Child Care Center at McCaskey is monitored by picture and sound. Each classroom has a microphone and camera that feeds directly into the Center's office. Therefore, to protect the installing dealer and his customers, when this equipment is used as part of an audio monitoring system, a decal stating AUDIO MONITORING ON THESE PREMISES must be installed in a visible location at the entrances and exits of both private and public buildings and vehicles.

This is to comply with United States Code, Title 18, Section 2510(2) regarding rights of privacy which states: "Oral communication means any "oral communication" uttered by a person exhibiting an expectation that such communication is not subject to interception under circumstances justifying such expectation." By definition of the code section, a person cannot have an expectation of privacy, nor can he or she expect that communication will not be intercepted, if there are public signs posted, indicating that the communication is being monitored.

Want to Discuss Something?

The Children and Family Services Department is grateful for the support and cooperation of the School District of Lancaster. However, we are solely responsible for the administration, planning and implementation of our programs. Any concern should be brought to the attention of the Director of Children and Family Services, not to school personnel.

The Children and Family Services Department provides activities that will contribute to the physical, emotional, mental, and social development of your child. As Early Childhood Professionals, we understand that children learn at different rates and we value individuality, and encourage creativity at every age. Thank you again for utilizing us for your child care needs.
