

Volunteer Position Descriptions

We offer many opportunities for you to help others in your community while having fun. The list below provides information about the positions we available and contact information.

Youth Sports Coaches

Be a positive role model for children! Coaches are needed for baseball, basketball, cheerleading, field hockey, flag football, softball, tennis and track and field. We provide training and support – you provide the patience and enthusiasm! Whatever your reasons are – spending quality time with your child, building your resume, sharing your sports knowledge, giving back to the community – we need you. Email Audra at alanders@LancasterRec.org.

Counselor-In-Training & Junior Playground Leaders

Attention teens ages 14-16! Do something challenging over the summer. If you are upbeat and friendly, like younger kids and like to have fun, be a Junior Playground Leader. You'll build leadership skills and gain valuable work experience too. Email Leida at lcollazo@LancasterRec.org.

Senior Center Volunteers

Help to enrich the lives of senior citizens. Play board games, assist with special events, lead a fitness class, provide entertainment, teach a craft, share a hobby, present an educational program or help with clerical duties. Volunteer during daytime hours, Monday through Friday. Email Susan at sdavis@LancasterRec.org.

Special Event Volunteers

If you'd like to help organize and run any of our family events and programs, we'd love to have you! Lots of hands are needed to make the activities run smoothly, from one-day community events like the Daddy Daughter Dance, Giant Yard Sale, Candy Cane Hunt, Cookie Decorating. Volunteering can count towards community service hours for high school students. Email Jackie at jhawkins@lancasterrec.org.

Pool Snack Bar Assistants

Volunteer at the snack bar at Conestoga Pines Pool over the summer, and move into a paid position next summer! You'll build valuable skills and gain work experience too. Email Jack at jbingeman@LancasterRec.org.
