**Teaming with  
our Community**

# For Generations

## Recreation for all - Services for all ages

Our greatest gifts to the community are the intangible ones.

- A child feeling the **confidence** to swim the entire length of the pool thanks to a swim lesson.
- A mother **cheering proudly** from the stands as her son scores a touchdown.

- A senior center member **laughing with friends** during a game of bridge.
- The **memories** made on the playground on a warm summer afternoon.
- A family **celebrating together** at a neighborhood park event.

**For generations, Lancaster Rec has been there.**

# For Joy

Our donors are bringing joy to the Lancaster community by helping residents discover their **interests**, their **talents** and their true **passions**.

Lancaster Rec gives the gift of being **connected** to our community and **learning** from each other.

Recreation and exploring new interests are for everyone, regardless of age. **Joy is a gift for all!**

# For Health

For thousands of children living in the City of Lancaster and Lancaster Township, opportunities to participate in youth sports don't - and won't - exist **because of financial hardships, lack of transportation and equipment costs.** We know there are far too many Lancaster children left on the sidelines, not getting to experience the benefits of recreation - **benefits like leadership, critical thinking, problem solving and being part of a team.** Through the Lancaster Rec Foundation, our Youth Athletic Scholarship gets children off of the sidelines and into the game.

# For Community

"I've been volunteering with Lancaster Rec for more than 5 years because I love giving back to my community and being a difference maker. I feel Lancaster Rec is where I'm needed most and the welcome and smiles I get when I walk through the door are why I keep coming back. The work they do impacts children, adults and seniors alike."

**Karen Darrenkamp, Lancaster Rec Supporter and Volunteer**

"My 8-year old son participates in Lancaster Rec's Before-and-After School Care program, as well as Summer Camp. I know he is safe and he always looks forward to going. The staff keeps a keen eye on noticing emotional changes in him and this gives me added peace of mind. Their presence in his life is important and has enriched his school and summer experience."

**Momo Oishi Ortiz, Lancaster Rec Parent**

"I volunteer as a track and field coach with Lancaster Rec and have been changing children's lives for over two decades. I love being able to see kids grow through a season and then watch them blossom through the years."
