## **CAMP OPTIMIST**

**held at Conestoga Pines Park**

The main ingredient of Camp Optimist is fun that comes from the spirit of participation. We foster an inclusive, positive and caring environment in which each individual is encouraged to contribute and participate in our activities. We create a non-competitive environment where campers have fun while making lasting friendships and feel safe trying new activities. All campers take part in outdoor skills, sports, crafts, community activities, waterfront adventures, and all-camp events. Camp Optimist is located at Conestoga Pines Park off of Pitney Road. Indoor headquarters are at the Conestoga Pines Barn. Campers swim daily at the outdoor Conestoga Pines Pool.

*\* Please note that ELRC funding is not accepted at Camp Optimist.\**

## **DISCOVERY DAY CAMP**

**held at TBD**

A traditional summer camp, Discovery Day Camp offers campers the opportunity to participate in hands-on activities using science as inquiry. Each week offers your children a chance to learn something new in connection with that week's theme. Campers enjoy outside activities and educational stations. Campers are placed in groups based on the grade they are entering (Juniors are 1st-3rd graders and Seniors are 4th grade and up) and participate in age-appropriate activities with 40 minutes a week of instruction in literacy, art, physical education and math in accordance to PA State Learning Standards. The goal is to keep academic skills fresh over the summer, apply the knowledge the children have learned in a fun way and prepare them for the next school year. Campers will spend the summer engaging in cooperative and interactive play experiences both at camp and at outings. Campers swim at Conestoga Pines Pool on Tuesdays and Thursdays. Be sure to pack sunscreen, a swimsuit and a towel!

Campers swim at Conestoga Pines Pool on Mondays and Fridays. Be sure to pack sunscreen, a swimsuit and a towel!
